Menelik Education Ambassadors are volunteers who love the share their experiences and introduce others to the community. Ambassadors work in co-operation with our members, partners and supporters to better Menelik Education's projects for communities we are seeking to help and convince new potential supporters/members and partners why Menelik Education is the perfect match for them if they really want to make a significant contribution and good impact in the DRC.

This is an exiting opportunity to take part in the real development work world and great way to enhance your African and humanity experience! You will also get a certificate signed and awarded by our Ambassador at a future ceremony/event, for taking part to a Menelik Education project.

Best regards, Menelik Education Team, Cambridge
